

# Peace Flower Blank **INSTRUCTIONS**

1. Use a hammer and chisel to separate the petals.

2. Heat the flower blank and texture it with a cross-peen or ball-peen hammer.

2. Shape the petals in a cupping tool or swedge block.

3. Taper a piece of 1/4" round rod and curl or shape it as your stem

4. Drill a hole in the petals

5. Put everything together, and you have finished your flower!

There many flower styles that can be made from Peace Flower Blanks!
