

Kakuro Giant – Easy – Layout Samples

A

KAKURO

Fill in the blank squares in the grid with numbers so that each horizontal or vertical line adds up to the total given in the box either to the left or above it.
 Horizontal totals are given in the top right corners of the shaded boxes; vertical totals are given in the bottom left corners of the shaded boxes.
 You can use the numbers 1-9. It may not use the same number more than once in any run. The number 0 may be used, however, in the shaded row or column as part of another number.
