## 24K Gold Serum & Sheets

Introduce gold not just into your jewelry collection but into your daily skincare routine! These luxurious products brought to you by Scalpa are made with high quality 24k gold to provide a bright and radiant complexion.

This precious metal has been used in skincare for decades as studies have shown that it has a wide variety of benefits that may include firming, anti-aging, anti-inflammatory, collagen boosting, and more!

Gold facials and skincare products have become widely popular around the world but even more-so in the celebrity scene as it is known for being luxurious and extremely beneficial.

Choose from Scalpa Gold Sheets, 24k Gold Serum, or use both for the best results.
