

## HIERARCHY

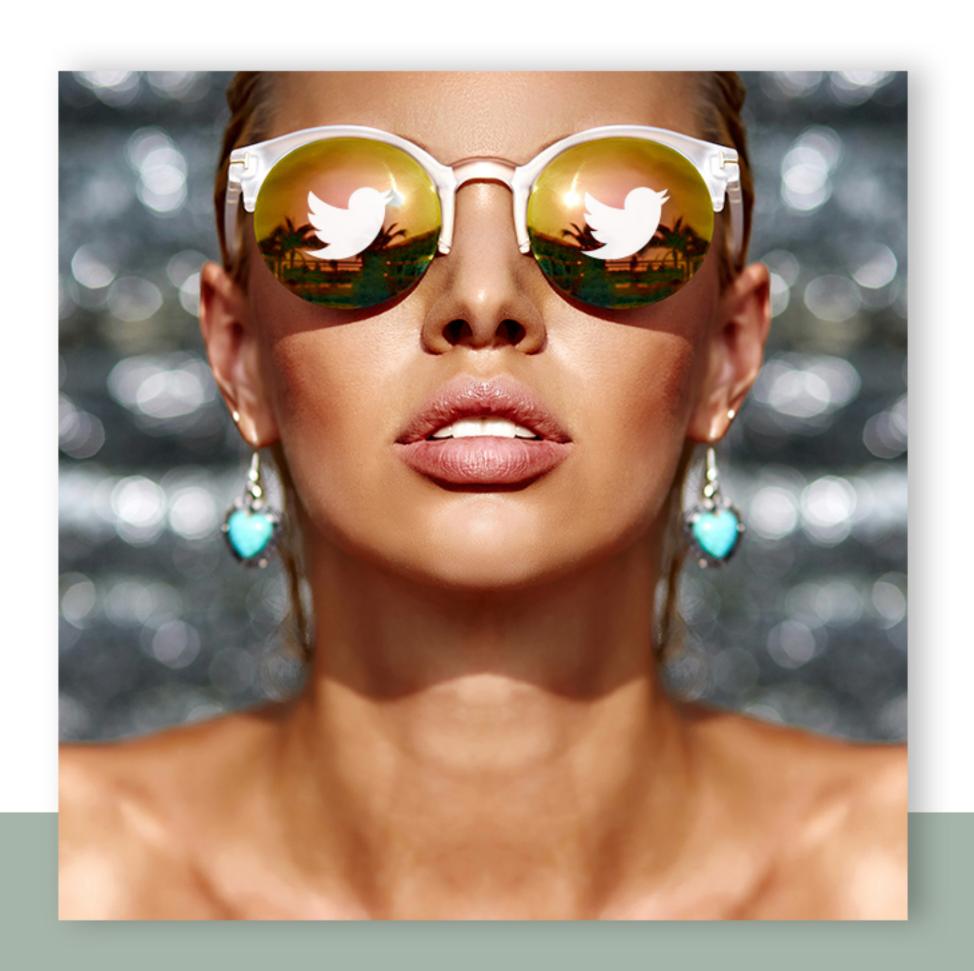

Marketing services has grown from a small group of influencers, to over 5 million people in our private network to becoming the most respected PUSH network. We are distributed across multiple digital content platforms such as Instagram, Twitter, Spotify, Tik Tok, and YouTube.

You can be established or unestablished on social media, it does not matter to us. We work to getindividuals placement whether it is a magazine cover, or to a successful brand or business entrepreneur with a presence on social media. We tailor all of our services to benefit you.

From branding, to connecting you with the biggest content directors, social media figures, events, content trips, brand collaborations, to actual national publications and real backend growth, we will handle it. We are a family, and we like to connect individuals.

Ditch the outdated techniques of marketing, by avoiding fake engagements, and join a community of authentic individuals where we help find their passion and grow in their industry niche. With Hierarchy Marketing services, you have the ability to optimize your brand or personal social media presence through personalized targeting campaigns and services. Be more than a pretty face or be more than just a normal brand. Let us take care PR strategies for you and get you real engagements from people who connect with who you are and what you stand for andbelieve in.

We are in the business of VIRALITY on Twitter. We can promise mid-level viability on Twitter or even take you to MILLIONS of impressions, 100% REAL. We embrace the doubters because we know how the industry works. Everyone is selling you on engagements that are actually fake...but after one tweet with us... you'll see we work in complete transparency with our family. We are the real deal.

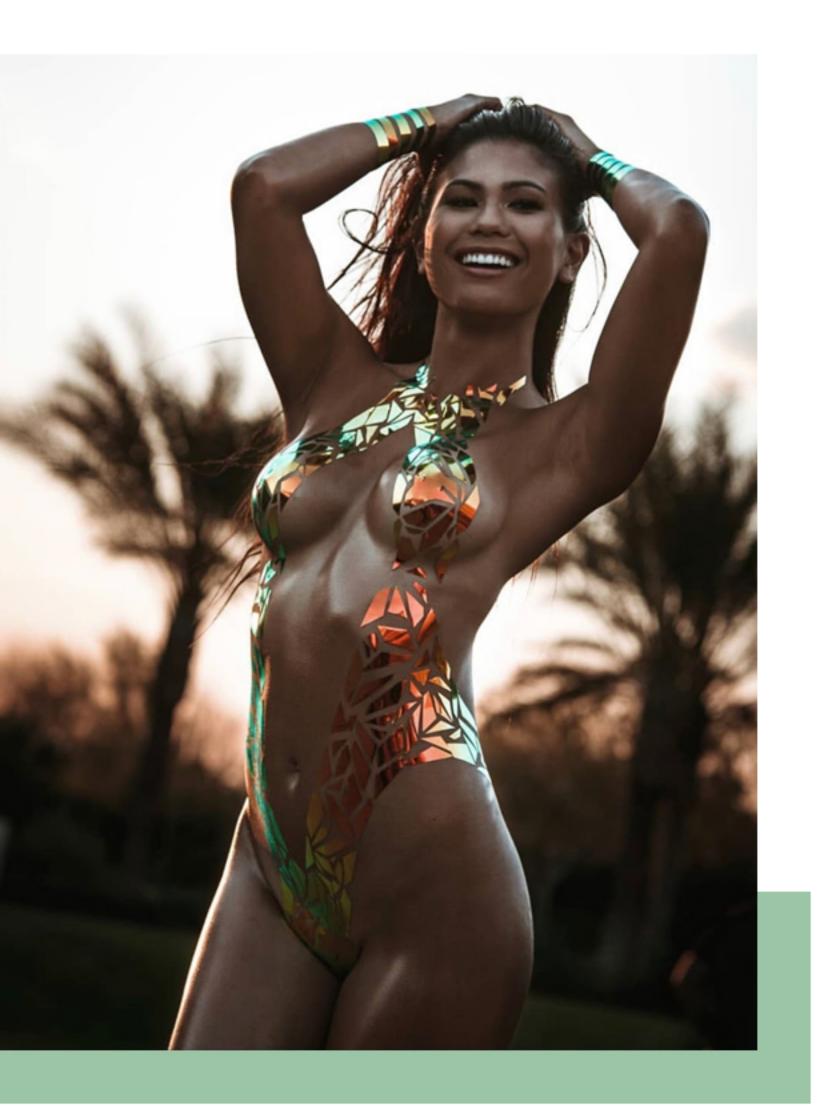

## MODELS AND INFLUENCERS-

We are not an agency, we are all women run, and we do not want you to sign any contracts. If you desire our full PR capabilities of branding you and connecting you with content directors, videographers, verified music artist gigs, or collaborations that you believe are out of your reach, let us handle your PR presence up to par and connect you. We are the network for you without any contract deals with us.

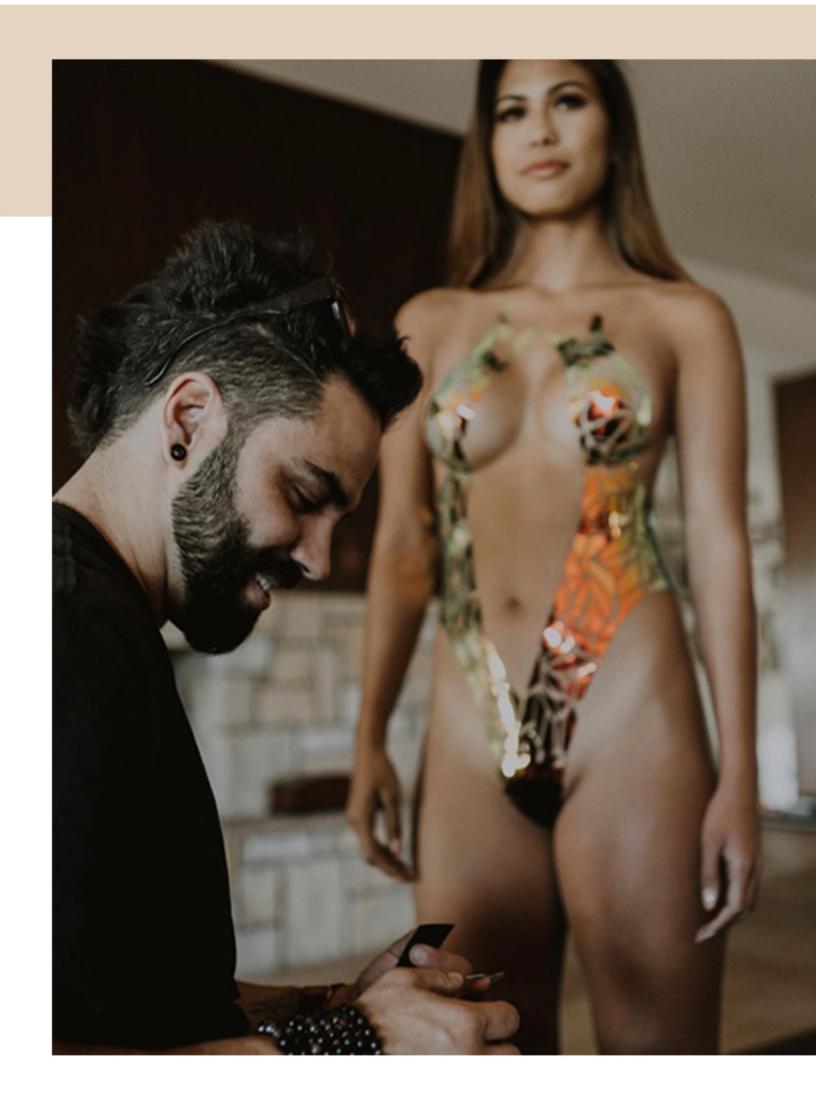

If you do not need PR and just need engagement services and growth on digital content platforms, we can provide that as well.
