BOOSTER

Scalpa's **Peptide Cocktail** helps dramatically replenish moisture and reinforce barrier function, putting skin rejuvenation in overdrive. Lines, imperfections and other signs of time can dramatically be reduced in appearance as the complexion becomes more polished, even, resilient and refined.

[www.scalpashop.com](http://www.scalpashop.com)

This supercharged cocktail of amino acid peptides and other superstar ingredients have a beneficial role in targeting the appearance of concerns such as loss of firmness, dullness, wrinkles and discolorations. Imagine bringing the best ingredients and peptides all together in one bottle. Well, that's precisely what Scalpa did with our Peptide Cocktail!

If you want to take your skincare regimen to the next level consider pairing this serum with Scalpa's Beetox, Escargot, Renewal Exfoliating Acid and Scalpa's 5 Step Skincare Set.
