SCALPA Plant Cell Serum

POWER UP YOUR ROUTINE

with this potent skincare booster that helps smooth fine lines and wrinkles and rejuvenates the skin's appearance. Our extremely rich and impressive serum provides a genuine boost for skin damaged by environmental factors, stress, compromised immune systems, pH imbalance or by simple exhaustion.

Scalpa Plant Cell can be applied topically as an amazing skin tissue renewal daily serum, but when infused into the epidermis tissue through microneedle, this serum visibly, instantly, and aggressively reduces common signs of aging for younger and healthier-looking skin.

IDEAL FOR:

- Aged Skin
- Rough Textured Skin
- Damaged Wrinkled Skin
- Problematic Skin
- Thin Skin

BENEFITS INCLUDE:

- Paraben-Free
- Mineral Oil free
- Fragrance-Free
- Reduces common appearances of aging
- Healthier more hydrated skin
