SCALPAPRODIGY HEMP BALM

PERMANENT MAKEUP AND TATTOO
AFTERCARE RELIEF

As a post aesthetic procedure product this amazing balm can offer so many benefits that include soothing, moisturizing benefits that can help support the area, improve discomfort, and ease recovery.

As a tattoo refresher balm to target any area that you've had tattooed. It not only adds moisture, it also helps brighten up older tattooed areas bringing more depth to color intensity.

Amazing aftercare solution -

Prodigy Tattoo aftercare balm is loaded with soothing and natural ingredients shown to encourage safe, healthy recovery post permanent makeup and tattoo procedures.

Effective & long lasting -

The smooth formulation has not only shown to be extremely effective, it also offers long-lasting benefits for moisturization and relief. Easy application and little product needed per application!

Keep tattoos bright & bold -

Finish off a tattoo or permanent makeup procedure with Prodigy Hemp Balm to bring out the bold, bright colors! Put this on older tattoos to refresh your colors and make them POP again.

Permanent makeup & tattoo artists -

This tattoo cream is a MUST in the tattoo and permanent makeup industry for post procedures. Apply this after your procedure and send your clients off with their beautiful new look!

For all skin types -

This effective hemp cream formula contains natural ingredients that are great for all skin types including sensitive skin.
