JOIN THE LAWSON FAMILY

Since 1949, Lawson has been a family-run company that treats you like family. We know the value of good relationships. That's why live people answer the phone and we always do what's right.
"We Make It Simple"

TEXTILE-TECH SCHOOL

Every session is a combination of classroom instruction, followed by extensive hands-on practice guided by experienced printers who know screen printing. Participants learn the latest techniques and processes in a dynamic setting.

The classes are designed to have you working with a variety of equipment so you gain expertise and familiarity with the entire screen printing process. Each participant is given individualized attention, along with time to experience printing on their own. You will leave knowing how to set-up, print and maximize shop production.

YOU WILL GAIN:

- Confidence
- Screen and digital printing skills
- Hands-on printing experience
- Knowledge to operate the latest screen & digital printing equipment
- Personalized attention and instruction
- Trouble-shooting skills

"I found the class very educational. After the class, I am one step closer to being a screen printer."

Jim Price - Cordell, OK

"It was all great! Excellent training and I loved the hands-on experience."

Lynn Walker - Jacksonville, FL

"Trainer spoke from 30 years of proven success in an understandable way."

Michael Selman - Cumming, GA

"Small group, hands on, taught every aspect of screen printing."

Dave Baer - Fort Gratiot, MI
