## SCREEN PRINTING 101

Start-Up Packages are our specialty. You need the right equipment, the right supplies and the right training which is exactly what Lawson has been providing since 1949. We are here for you with Personalized Printing Coaches and 24/7/365 service you can rely on.

### ONE-STOP SHOPPING

Lawson is your one-stop supply shop. From set-up, printing and clean-up, Lawson is by your side. By engineering simplicity, our equipment is easy to setup, operate and maintain. We also manufacture plastisol ink and all of your other supplies. We make a simple promise to every customer: ***"You Stand in Front of Our Equipment and We'll Stand Behind It."***

### FREE TRAINING

Every Package includes our hands-on Textile Tech training class. Every piece of Lawson equipment comes with 24/7 Support.

Optional Art-Smart, Sublimation and DTG Classes are also available.

### TRADE-IN, TRADE-UP

We love to grow with you. That's why Lawson offers a Trade-In/Trade-Up Program. Let us help expand your business with smart choices that make sense for you. Never worry about over-buying with the industry's only program that lets you expand when it's right for you.

## JOIN THE LAWSON FAMILY

Since 1949, Lawson has been a family-run company that treats you like family. We know the value of good relationships. That's why live people answer the phone and we always do what's right.  
*"We Make It Simple"*

## TEXTILE-TECH SCHOOL

Every session is a combination of classroom instruction, followed by extensive hands-on practice guided by experienced people who know screen printing. Participants learn the latest techniques and processes in a dynamic setting.

The classes are designed to have you working with a variety of equipment so you gain expertise and familiarity with the entire screen printing process. Each participant is given individualized attention, along with time to experience printing on their own. You will leave knowing how to set-up, print and maximize shop production.

### YOU WILL GAIN:

- Confidence
- Screen and digital printing skills
- Hands-on printing experience
- Knowledge to operate the latest screen & digital printing equipment
- Personalized attention and instruction
- Trouble-shooting skills

*"I found the class very educational. After the class, I am one step closer to being a screen printer."*  
**Jim Price - Cordell, OK**

*"It was all great! Excellent training and I loved the hands-on experience."*  
**Lynn Walker - Jacksonville, FL**

*"Trainer spoke from 30 years of proven success in an understandable way."*  
**Michael Selman - Cumming, GA**

*"Small group, hands on, taught every aspect of screen printing."*  
**Dave Baer - Fort Gratiot, MI**

### THE LAWSON NO-NONSENSE WARRANTY

The Lawson No-Nonsense Warranty is an extension of our confidence in our products, providing protection that ensures dependability and peace of mind. Our Service Department is available 24/7 and we have many "self-help" videos available.

### 24 HOUR SERVICE HOTLINE

For equipment tech support, we have a 24-hour owner hotline.

### 24 HOUR SUPPLY HOTLINE

We also offer a 24/7/365 Supply Hotline for active supply customers.

### EASY FINANCING

We provide easy leasing through our nationwide team of financing specialists. Our 1-hour turnaround is both simple and fast.

Lawson manufactures a wide variety of manual and automatic screen printing presses, exposure units, textile, UV, graphic, 3-D and industrial dryers, re-claiming sinks, dip tanks, computer-to-screen imaging devices, DTG printers, pre-treat sprayers, plastisol ink and much more.

*All Lawson equipment is made in the U.S.A.*

If you can't find what you need, refer to our website for a comprehensive listing of supplies and equipment, or simply give us a call. We have a friendly staff ready to assist.
