

Your assessment tools in the palm of your hand

TLRG
**MOBILE
ASSESSMENTS**

In a time of strict compliance and rigorous auditing, having an easy way to gather, sync and store high quality evidence of assessments is becoming more important than ever.

With our **MOBILE ASSESSMENTS** offering, organisations can make sure assessors have the ability to make consistent decisions through clear task benchmarking, supported with photo and video evidence.

Lasting, Quality Compliance

TLRG MOBILE ASSESSMENTS

Mobile Assessments by TLRG allows you to:

- ✓ Gather photo and video evidence
- ✓ Keep geolocated evidence as proof of time and location of assessment
- ✓ Assess single learners or groups
- ✓ Complete assessments live or upload after the assessment is complete
- ✓ Sync completed assessment records with your compliance and admin teams in real time
- ✓ Maintain consistent high levels of evidence gathering and record keeping
- ✓ Reduce time and cost by using devices that your assessors carry with them
- ✓ Add notes to explain exactly what happened during the assessment
- ✓ Automatically generate and email Assessment Records branded to your organisation containing photos and links to video files stored securely on cloud servers
- ✓ Ensure the judgement of your assessors never comes under scrutiny

This tool is facilitated through a free app, available for download in the Apple Store or Play Store. All you pay for is access to TLRG Assessment Tools.

Mobile Assessments by TLRG is a great tool for streamlining your assessment process. TLRG have subscription plans to suit any organisation's needs.
