

paperless TRAINING

Once again, The Learning Resources Group is paving the way to improve your business by saving you time and money.

Paperless Training is the new way for you to run your training and theory assessment without having to print books and tests ever again.

TLRG Paperless Training gives you the following amazing features and benefits:

- Train all your learners for the same low weekly cost.
- No more expensive printing of training manuals.
- Always train the latest version of the learning material.
- Your trainers free up time by never having to mark learner test questions again.
- This can be used on ANY device with an internet connection (yours or your learner's).
- Train anywhere: your facility, on site, at the learner's home before arriving.
- 30 second learner enrolment process branded to your business.
- No new technology required.
- Fully mapped to the unit of competency.
- Save Time.
- Save Money.
- Save Hassle.
- Cancel at any time.

How Does it Work?

Face-to-Face:

1. Enrol your learner in your custom branded enrolment form.
2. Learner receives an enrolment email and logs in on any device.
3. Work through the theory training and review questions in your training room.
4. Learner completes Final Theory Test on their device.
5. TLRG Paperless Training marks the assessments and emails you the results.
6. Commence practical training and assessment.

Off-site Pre Learning:

1. Enrol your learner in your custom branded enrolment form.
2. Learner receives an enrolment email and logs in on any device.
3. Learner works through the theory training and review questions in their own time.
4. Learner completes Final Theory Test on their device.
5. TLRG Paperless Training marks the assessments and emails you the results.
6. Commence practical training and assessment on your site or their workplace.
