BUY COURSE

Thank you for being a Babe Ruth League coach. Much time and effort is required to coach players and manage a team. Your commitment and dedication to coaching are greatly appreciated—by your athletes, their parents, other coaches, your community, and the entire Babe Ruth League and Cal Ripken organizations. The influence you have on your players will likely be remembered for a lifetime. It's a responsibility not to be taken lightly.

With that in mind, baseball and softball coaches affiliated with Babe Ruth League are required to become certified by purchasing and taking the course for the sport coached. It's an investment that will provide dividends for seasons to come.

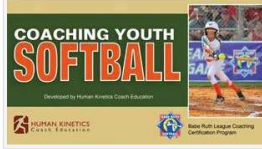

After purchasing your course, you will receive an email confirmation as well as a follow-up email containing instructions and the link for accessing your course.
