CITY
NEW YORK

Daylight Savings

Adjust for Daylight Savings Time (DST).

Press the **DST** button. Only do so if DST is Applicable to your region.

My City is Not Listed

Follow Steps 1-3B. When selecting the city. Find the closest major city available on the clock. Use the Delta Feature to adjust timings only once to match your exact city/location. **See Appendix A.**

4

AZAN Time Off By Few Minutes (DELTA Feature)

 Allows you to adjust each Azan time Up or Down by 90 minutes. This ensures accurate azan times

- A Press **Exit**. Press the **SET Button 6 times**.

Use the Up or Down buttons to go through your selected Azan and adjust Minutes Azan is off by.

05

Azan Time
Increased by
5 Minutes

-05

Azan Time
decreased by
5 Minutes

Press the **SET** button to proceed to the next Azan. Follow the steps for the rest of the Azans. You can choose which azan times you want to correct

CAN'T FIND MY CITY

Choose the closest city from the preprogrammed cities in the clock. Then use the **DELTA** feature to adjust individual azan timings (only once). See **Appendix A.**

CHANGE AZAN SOUND

Press the **VOICE** button. Continue to press the **VOICE** button to go through the selection until the desired Azan Voice is reached. Press Exit.

TURN ON/OFF DUA

Press **VOICE**. Once on your desired Azan sound. Press the Up button to turn DOAA (Dua) ON/OFF. Press **Exit**.

Appendix A

Program A New City/Preferred Azan Time With the DELTA Feature

I Find the closest major city available from the clock's pre-programmed city list

Example: The closest major City preprogrammed in the clock is New York. Follow **Steps 1 to 3B** with the city selected as New York.

Then proceed with using the DELTA feature to adjust timings to match your location.

II Check the local azan timings with your mosque. See example below,

Below are examples of the default Mirac Azan timings on the left and the desired adjusted timing on the right.

| New York Mirac Default Azan Time | Your City/Preferred Azan Time Close to New York | Difference |
|----------------------------------|-------------------------------------------------|-----------------|
| Fajr: 5: 12 AM | Fajr: 5: 16 AM | +4 Min. |
| Asr: 12: 59 PM | Asr: 1:02 PM | +3 Min. |
| Zuhur: 4: 37PM | Zuhur: 4:36PM | -1 Min. |
| Maghrib: 7: 26PM | Maghrib: 7:30PM | + 4 Min. |
| Isha: 8: 45PM | Isha: 8:50PM | +5 Min. |

III Use DELTA Feature

Sometimes your Azan time can depend on your geographical area or local mosque timing. Hence, you may notice your Azan times are off by a few minutes. You can use the DELTA FEATURE to adjust the timing for accuracy. You can access this feature by pressing SET button 6 Times. Once you have accessed the DELTA Feature each Azan time can be manually adjusted up or down by 90min.

A Press the **SET** button **6 times**. During the 6th time you will reach the DELTA function.

B Press the **SET** button once more to reach the FAJR azan. To change the Azan time from 5:12AM to 5:16AM. Use the Up arrow key to increase the time by 4 Minutes.

+4 Min. 04 FAJR

Once finished Press **SET** again to go to the next Azan or EXIT. You can follow these steps for all the Azan Times as per your geographical location.

You can also wait 25 seconds and the clock will automatically exit the DELTA function. Once the correct city time is set it will automatically be incremented the next day.

 You can also use the **DELTA** feature to adjust just a single azan time as per your exact location.
