

Reseller Application

 should be used to complete this form.

We are interested in becoming a supplier to your church gift shop or bookstore. Our reseller policy allows you to try prayer beads for several months with no risk. Complete our Reseller Application and once your account is established, we will contact you with your Full Circle Beads reseller information including price discounting to make purchases on our site.

Reseller Must:

1. Be a church shop or similar entity and sell directly to the public.
2. Select at least 8 prayer beads each order (higher discount will be given for orders of 15 or more prayer beads.) Each set may be different.
3. Sell prayer beads at or above the Full Circle Beads SRP (as listed in the current reseller price list.)
4. Pay postage for delivery, and exchange or return of beads. Full Circle Beads pays insurance for delivery of beads.
5. Exchange or return unsold beads for full refund within 60 days of purchase. Returned items must arrive in the same condition as originally shipped. Damaged pieces will not be refunded.
6. For reseller purchases not paid at time of purchase, pay invoice in full within 60 days.
