pdqb Chart

Read the chart by saying the name of each lowercase letter. | Add arm movements for the curve of each letter - p and b are "right" while d and q are "left" | Additionally identify "top" or "bottom" for the curve of each letter - p and q are "top" while b and d are "bottom".

If the chart is too visually overwhelming, fold in half so fewer letters are visible.

p	d	q	b	d	b
q	p	b	d	q	p
d	b	p	q	d	b
b	q	d	p	b	q
p	q	d	b	p	d
d	p	b	q	p	b
b	p	q	d	b	p
