

To Our Valued Customers,

The safety and wellbeing of our customers and employees is our top priority at MVP Athletic Supplies. Therefore, we will be closing our retail store until further notice in order to limit exposure to the COVID-19 virus.

For your convenience, our online store will remain open at [www.mvpathleticsupplies.com](http://www.mvpathleticsupplies.com), as well as the individual Team Orders sites. FREE SHIPPING is being offered on all in-stock items during this time. Customers who would like to pick up orders from the store will need to call ahead to arrange a pick-up time. We will be available Monday to Friday 9am-5pm, Saturday 9am-3pm, and will be closed on Sundays. We will also be available by telephone and email.

During these difficult times, everyone needs to be kind and caring to each other and stay safe and healthy. We are a small family business and greatly appreciate your patience and support as we work through this together. Please know that we are here to help in any way possible.

Thank you,
