

## THE VETERANS RESTORATION QUARTERS (ABCCM)

This Asheville organization provides housing, meals, services and job training for our homeless veterans. As the veterans progress through the programs, one veteran is selected each month for special recognition. Part of that recognition is a patriotic quilt for their bed.

- Quilts should be red, white and blue
- A label should be placed on the back that reads “Thank You for Your Service”
- Making a quilt in the pattern of the American Flag is discouraged.
