

PORT-A-FIELD

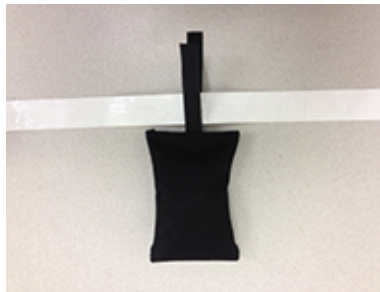

Small Sandbag Instructions

1. Open the sandbag pouch by pulling apart the velcro enclosed top. Fill the pouch with sand and then close the velcro top.
2. Lie the sandbag on the exterior part of the perimeter and pull apart the velcro attachment straps.
3. Slide the lower strap underneath the field line and keep the top strap on top of the field line.
4. Once the idea placement of the bag is defined, attach the two velcro straps together around the field line.
