

Innovating Next

At CTL, we deliver award-winning cloud computing solutions that power innovation at schools and businesses worldwide. Our portfolio includes Chromebooks, Chromeboxes, monitors, and Google Meet video collaboration tools.

As a service-centric partner, we create unique solutions tailored to your needs and offer comprehensive life cycle support from purchase through recycling—all with nimble responsiveness and a strong focus on sustainability.

We're explorers. We're solution-finders. And we're ready to work side-by-side with you to help you innovate what's next.

Why Work with CTL?

ChromeOS expertise

Receive unparalleled knowledge and guidance to support every step of your ChromeOS journey.

Future-proof technology

Outpace the technology race with powerful performance, integrated connectivity, and next-gen advancements.

Unmatched service

Configuration, warranty, and maintenance services ensure seamless deployment and minimal TCO.

Sustainability first

Eco-friendly practices throughout our supply chain and device recycling programs help all of us embrace a greener future.
