

Empower Learning Like Never Before

Power up performance, flexibility, and sustainability
in the classroom with the CTL Chromebook NL73 Series

Introducing the CTL Chromebook NL73 Series

Equip your students with the future-proof cloud-computing performance they need, delivered with sustainability and flexible purchase options that work for you.

Future-proof performance

Deliver 22% faster computing performance to multi-task, stream content, and manage the demanding apps of today and tomorrow

Stay connected and productive all day

Wi-Fi 6E and Bluetooth 5.3 deliver faster, smarter, seamless connectivity, enabling users to enjoy up to 14 hours of battery life.

Buy or rent

Select from a variety of flexible purchase and device rental programs, only through CTL.

Choose flexibility

Configure the devices you need from the available touch and non-touch models, clamshell 180° and tablet 360° hinge models. Select your levels of RAM and storage to fit your needs.

Deliver rugged performance

MIL-STD-810H certified durability plus included drop testing from 75 cm, spill and peel-resistant keyboards, hardened glass, and built-in carry handles.

Facilitate convenience

Two charging USB-C ports on either side, two USB-A ports, an audio jack, and a card reader provide an abundance of I/O options.

Make collaboration easy

A rugged 360° rotational camera and integrated microphone empower versatile video creation and teamwork.

(NL73, NL73-8 and NL3CT models only)

Ensure sustainability

Build a better future with CTL Chromebooks, offering responsibly-sourced components, eco-friendly packaging, buyback, and electronics recycling end-of-life programs.

Rugged Performance and Sustainability

Performance. Flexibility. Sustainability.

CTL designs and manufactures the NL73 Series to withstand daily student use, delivering the power and durability they need inside the classroom and while on the go.

An Added Touch of Protection

10-point multitouch technology with 7H hardened, anti-break screen.
(NL73CT, NL73TW, and NL73TWB models only)

Better. Faster. Stronger.

Intel® Processors N100 and N200 are up to 22% more powerful than previous processors.

Durable for Students

Spill and drop resistant keyboard with moisture-resistant track pad and anti-peel keys.

Google License Included

Lifetime Support

Extended warranties and accidental protection plans for up to 4 years. Google AU to 2033.

Productivity All Day

Battery life up to 14 hours.

Retractable Handle

For convenient carrying, reducing drops.

Easy Collaboration

Wi-Fi 6E plus a 360° rotational camera.

Available USI Pen

Make the most of the tablet version.
