## Adblue® (Diesel Exhaust Fluid)

Diesel Exhaust Fluid (a.k.a Adblue)  
10 Litres per carboy

S\$ 17.00  
before GST

S\$ 18.36  
after GST

DEF is short for diesel exhaust fluid or commonly known as adblue, is a urea-based solution that reduces harmful nitrogen oxide emissions by 90% and even improves fuel efficiency by up to 8%. It makes your engines run better and helps you protect the environment.

## VP Racing Fuels (Unleaded)

VP MS 100  
19 Liters per drum

S\$ 240.00  
before GST

S\$ 259.20  
after GST

High octane unleaded performance fuel for on-track and off-road competition as well as time trials.

VP MS 109 Motor octane:101  
19 Liters per drum

S\$ 290.00  
before GST

S\$ 313.20  
after GST

Produces more power than any other unleaded fuel. Recommended for higher boost applications with CRs up to 11:1 or naturally aspirated engines up to 13:1.

VP Q16 Motor octane:116  
19 Liters per drum

S\$ 340.00  
before GST

S\$ 367.20  
after GST

Q16 will work well in any drag racing or circle track application – naturally aspirated, nitrous or blowers. Q16 is highly oxygenated, requiring a 4-6% increase in fuel flow, which will make 3-5% more power than competitive 116 octane fuels.

The Best In Chemicals

## Bestchem Methanol

### Bestchem Methanol (Pure) 20 Liters per drum

S\$ 65.00  
before GST

S\$ 70.20  
after GST

A high-quality methanol designed to bring out the power in your motor. This product will increase RPM, horsepower, and acceleration. It will lower the air intake temperature dramatically, much more cooling than an intercooler.  
(For "off-road use" only)

### Bestchem Methanol Premix 50% 20 Liters per carboy

S\$ 65.00  
before GST

S\$ 70.20  
after GST

This product is a blend of 50% deionized water and 50% methanol. Deionised water in laymen terms means purified process water which has most of the dissolved solids removed. At high concentration and injection rates, methanol can act more like a fuel than a coolant.  
(For "off-road use" only)

### Bestchem Methanol Premix 70% 20 Liters per carboy

S\$ 65.00  
before GST

S\$ 70.20  
after GST

This product is a blend of 30% deionized water and 70% methanol. Deionised water in laymen terms means purified process water which has most of the dissolved solids removed. At high concentration and injection rates, methanol can act more like a fuel than a coolant.  
(For "off-road use" only)

### Bestchem Methanol Premix 80% 20 Liters per carboy

S\$ 65.00  
before GST

S\$ 70.20  
after GST

This product is a blend of 20% deionized water and 80% methanol. Deionised water in laymen terms means purified process water which has most of the dissolved solids removed. At high concentration and injection rates, methanol can act more like a fuel than a coolant.  
(For "off-road use" only)

The Best In Chemicals

## Additives

VP Madditive™ Cetanium  
32 oz per can

S\$ 60.00  
before GST

S\$ 64.80  
after GST

Cetane Concentrate – An explosion of power. Increase cetane for off-road racing diesel applications. Cetanium cleans injectors and pumps and will increase your fuel mileage while it replaces lost lubrication.

VP Madditive™ Octanium Unleaded  
32 oz per can

S\$ 60.00  
before GST

S\$ 64.80  
after GST

VP's New Octanium Unleaded increases octane up to 7 numbers and improves throttle response and acceleration. It cleans fuels injectors, eliminates gum and varnish build-up, and acts as a lead substitute. One bottle treats up to 10 gallons of gasoline, increasing octane by up to 70 points.

VP Madditive™ Power Boost  
16 oz per bottle

S\$ 30.00  
before GST

S\$ 32.40  
after GST

Restore the power your engine once had. Cleans fuels system and removes deposits from the combustion chamber. Reduces or eliminates knocking and pinging.

VP Madditive™ Diesel All-In-One Fuel Conditioner  
24 oz per bottle

S\$ 35.00  
before GST

S\$ 37.80  
after GST

Get more out of your diesel engine with Diesel All-In-One Fuel Conditioner. All-In-One Fuel Conditioner cleans injectors and pumps, increases cetane, and replaces lost lubrication. Increases fuel mileage and reduce smoking.

The Best In Chemicals

## Additives

### VP Madditive™ Fuel Stabilizer w/ Ethanol Armor 8 oz per bottle

S\$ 55.00  
before GST

S\$ 59.40  
after GST

Ethanol Protection Additive Stability for the long road ahead. Eliminates the problems caused by ethanol fuel while reducing heat and extending engine life. Fuel Stabilizer with Ethanol Armor protects your engine and prevents repairs.

### VP Madditive™ Fuel System Cleaner 16 oz per bottle

S\$ 30.00  
before GST

S\$ 32.40  
after GST

Clean your entire fuel system for up to 5000 miles. VP's Fuel System Cleaner increases fuel mileage, restores performance, and virtually eliminates knocks and pings. The advanced formula reduces harmful emissions in all street and off-road uses. 16 ounces (473ml) treats up to 20 gallons (76 litres). Catalytic converter and O2 sensor friendly.

### VP Madditive™ Cool Down 16 oz per bottle

S\$ 28.00  
before GST

S\$ 30.24  
after GST

Reduce cooling system operating temperatures by 20-50 degrees. Work great in race cars, their towing vehicles, and long idling applications. Reduces coolant surface tension, allows better laminar coolant flow for better heat transfer. Lubricates without the crystallization of other coolant additives.

### Stay Frosty Racing Coolant 64 oz per bottle

S\$ 45.00  
before GST

S\$ 48.60  
after GST

STAY FROSTY is a proprietary VP Racing Fuels coolant formulated for high-compressions, high-heat racing engines. It contains a specialized blend of wetting agents that drastically improve coolant's ability to transfer heat away from the high temperature cylinder heads. Temperatures of engine are reduced by up to 100° F compared to conventional glycol-based coolant. This increases the density of the air/fuel mix, and allows ignition timing to be safely advanced without the threat of detonation – resulting in more power and torque

## Additives

VP Street Legal Power Steering Fluid –  
Synthetic Universal Formula  
355ml per bottle

S\$ 10.50  
before GST

S\$ 11.34  
after GST

STREET LEGAL™ Synthetic Power Steering Fluid is a universal fluid designed for trusted performance and ultimate protection of power steering systems in most foreign and domestic passenger cars and light trucks. It is approved and compatible for top-off with all power steering fluids.

VP® Extreme Service Oil Boost  
[Concentrated Formula]

S\$ 12.00  
before GST

S\$ 12.96  
after GST

Extreme Service Oil Boost – Concentrated Formula is specially formulated for high-mileage vehicles with 75,000 or more odometer miles, fleet vehicles used in service application and vehicles operating under severe conditions. Its robust additive system contains special seal conditioners that recondition and improve O-rings, gaskets and seals to reduce engine leaks and oil consumption while special detergents minimize engine sludge and formation of performance-robbing deposits.

Grip Tyre Softener™

S\$ 75.00  
before GST

S\$ 81.00  
after GST

GRIP is the established UK-developed tyre softener, designed to produce outstanding traction in all forms of high-performance driving, from street to full race and using road or racing tyre compounds.

## Lubricants

VP S4 1000 Four Stroke Engine Oil –  
Full Synthetic Street Formula SAE 10W-40  
1 Litre per bottle

S\$ 32.00  
before GST

S\$ 34.56  
after GST

S4 1000 Full synthetic Motorcycle Engine Oils are formulated using highest-quality ester-based synthetics with the most advanced additive technology available. This combination offers ultimate protection for your machine while equally optimizing performance output.

VP S4 1000 Four Stroke Engine Oil –  
Full Synthetic Street Formula SAE 10W-50  
1 Litre per bottle

S\$ 32.00  
before GST

S\$ 34.56  
after GST

S4 1000 Full synthetic Motorcycle Engine Oils are formulated using highest-quality ester-based synthetics with the most advanced additive technology available. This combination offers ultimate protection for your machine while equally optimizing performance output.

VP Street Legal™ Synthetic Dexos 1™ Gen 2 Motor Oil  
SAE 0W-20  
1 Quart (946ml) per bottle

S\$ 32.00  
before GST

S\$ 34.56  
after GST

STREET LEGAL™ synthetic dexos1™ Gen 2 Motor Oil is formulated with selected synthetic base oil and a state-of-the-art additive system to deliver trusted engine protection and peak vehicle performance.

VP Street Legal™ Synthetic Dexos 1™ Gen 2 Motor Oil  
SAE 5W-30  
1 Quart (946ml) per bottle

S\$ 32.00  
before GST

S\$ 34.56  
after GST

STREET LEGAL™ synthetic dexos1™ Gen 2 Motor Oil is formulated with selected synthetic base oil and a state-of-the-art additive system to deliver trusted engine protection and peak vehicle performance.

## Lubricants

VP Break-In Oil 10W40  
1 Quart (946ml) per bottle

S\$ 35.00  
before GST

S\$ 37.80  
after GST

VP Engine Break-In-Oil is a unique, multi-viscosity SAE 10W-40 break-in-oil formulated with a blend of high quality conventional base stocks, ZDDP (Zinc Dialkyl Dithiophosphate), Moly and other additive chemistry to allow a newly machined engine to properly finish seating and mating of machines engine parts.

VP Street Legal™ Synthetic European Motor Oil  
SAE 5W-40  
1 Quart (946ml) per bottle

S\$ 33.00  
before GST

S\$ 35.64  
after GST

STREET LEGAL™ Synthetic European Motor Oil is specially formulated with synthetic base stocks and advanced additive technology to meet and exceed stringent European OEM standards for high-performance vehicles.

VP Street Legal™ Extreme Service Motor Oil  
SAE 10W-40  
1 Quart (946ml) per bottle

S\$ 26.00  
before GST

S\$ 28.08  
after GST

STREET LEGAL™ Extreme Service Motor Oil is specially formulated to deliver trusted engine protection and peak performance in high-mileage vehicles with 75,000 or more odometer miles, in hard-working vehicles used in service applications and vehicles operating under extreme conditions.

VP Classic Non-Synthetic Racing Oils  
SAE 20W-50  
1 Quart (946ml) per bottle

S\$ 32.00  
before GST

S\$ 34.56  
after GST

VP Classic Non-Synthetic Racing Oils are formulated with high-quality mineral base stocks and a select balance of additives to deliver superior film strength and wettability on critical engine parts while running or idle. They contain enhanced levels of ZDDP.

VP Racing 622 Racing Brake Fluid  
1 Quart (500ml) per bottle

S\$ 35.00  
before GST

S\$ 37.80  
after GST

For use in auto and powersports, VP Racing Fuels' 622 Racing Brake Fluid is formulated for the demands of professional racing and the hard braking that comes with it. 622 Racing Brake Fluid maintains stability under high temperatures, is the highest boiling point SOT 4 fluid, resists vapor lock, and resists fade, delivering a better pedal feel.

## Car Detailing

VP Power Detailer & Gloss Enhancer™  
502ml per bottle

S\$ 25.00  
before GST

S\$ 27.00  
after GST

VP Power Detailer & Gloss Enhancer™ provides unsurpassed slickness and gloss in one simple application. Simply spray and wipe all exterior automotive surface at the final step in your detailing process.

VP Power Clean  
502ml per bottle

S\$ 22.00  
before GST

S\$ 23.76  
after GST

Environmentally friendly, safe, yet powerful all-purpose cleaner – Cleans everything from engines and wheel to leather and dash.

VP Power Leather & Interior Detailer  
502ml per bottle

S\$ 25.00  
before GST

S\$ 27.00  
after GST

Cleans, restores, and protects leather. Vinyl & Plastic Molding surfaces. Leavis no oily or slick residue, provides long-lasting protection.

VP Power Wax  
502ml per bottle

S\$ 25.00  
before GST

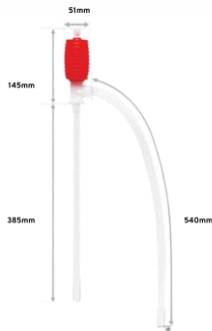

S\$ 27.00  
after GST

Takes less tan 15 Minutes to wax the whole car. No buffing required. No residues to remove. Last 4 to 5 months!

## Car Detailing

### Manual Siphoning Pump

S\$ 5.00  
before GST

S\$ 5.40  
after GST

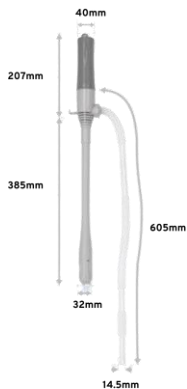

Suitable for gasoline, kerosene, diesel and race fuels. **NOTE: Use for liquids drummed in 20L Tins only.**

### Size D Battery For 2 Pcs (For Battery Operated Pump)

S\$ 3.00  
before GST

S\$ 3.24  
after GST

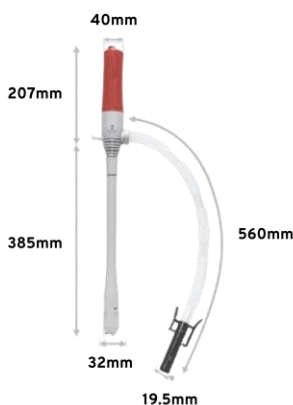

### Battery Operated Pump DP-07EA

S\$ 40.00  
before GST

S\$ 43.20  
after GST

Applicable liquids : Gasoline, kerosene, diesel, light oils, water & etc. Suitable for Go- kart gasoline refilling, pesticide transfer application or aquarium water changing.  
NOTE: Use for liquids drummed in 20L tins only.  
Delivery volume : About 10 Litres/ minute (2.6 gallons/minute)  
Pump up to about 4,000 litres(1,056.7gallons) with 2 "D" size batteries.  
Suction tube length : 385mm(15.2")  
Discharge tube length : 605mm(23.8")

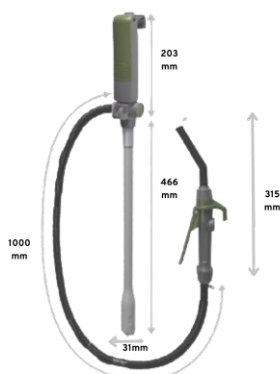

### Battery Operated Pump with Auto-Stop & Buzzer DP-08-1EA (Batteries not Included)

S\$ 45.00  
before GST

S\$ 48.60  
after GST

Applicable liquids : Gasoline, kerosene, diesel, light oils, water & etc. Suitable for Go- kart gasoline refilling, pesticide transfer application or aquarium water changing.  
NOTE: Use for liquids drummed in 20L tins only.  
Delivery volume : About 9 Litres/ minute (2.4 gallons/minute) Pump up to about 4,000 Litres (1,056.7Gallons) with 2 "D" size batteries  
Suction tube length : 385mm(15.2")  
Discharge tube length : 560mm (22.0")

### Battery Operated Pump with Nozzle Lever DEP-1504-3V

S\$ 65.00  
before GST

S\$ 70.20  
after GST

Applicable liquids: Gasoline, Diesel, DEF(AdBlue), Water, Kerosene, Antifreeze, Windshield washer fluid, Mild detergents, Agricultural chemicals, Light oils  
Delivery volume: Approx. 9 litres per minute (2.4 gallon per minute)  
Suction tube length: 466 mm (18.3")  
Discharge tube length: 1,000mm (39.4")

## Bestchem Fuel Handling Equipment

### VP SureCan® 2.2 Gallon

S\$ 100.00  
before GST

S\$ 108.00  
after GST

VP SureCan® is the most innovative gas can out there today! With the patented spill proof technology you will never have to bend over and tip your can or get gas on your hands ever again! The can features a rotating nozzle and thumb release trigger that allows the flow of the fuel to dispense from the bottom so you can let gravity do all the work! Other features include self-ventilation, comfortable grip, and durable design.

### VP SureCan® 5 Gallon

S\$ 110.00  
before GST

S\$ 118.80  
after GST

VP SureCan® is the most innovative gas can out there today! With the patented spill proof technology you will never have to bend over and tip your can or get gas on your hands ever again! The can features a rotating nozzle and thumb release trigger that allows the flow of the fuel to dispense from the bottom so you can let gravity do all the work! Other features include self-ventilation, comfortable grip, and durable design.

### VP Motorsport Container (Square) 5 Gallon

S\$ 85.00  
before GST

S\$ 91.80  
after GST

VP's Motorsport Containers are made with only the highest quality virgin high-density polyethylene, including 30% more material than standard containers to withstand the roughest treatment. The containers are subjected to a 15-point quality test and carry a 3-year limited warranty against cracks, leaks or splitting. They feature an ergonomically contoured handle, bottom grip for easy pouring and a non-breakable multipurpose cap with rubber gaskets.

### VP Motorsportsman's Container 3 Gallon

S\$ 75.00  
before GST

S\$ 81.00  
after GST

MOTORSPORTSMAN® CONTAINERS VP's 3-GL Motorsportsman Containers are made with only the highest quality virgin high-density polyethylene, including 30% more material than standard containers to withstand the roughest treatment. The containers are subjected to a 15-point quality test and carry a 3-year limited warranty against cracks, leaks or splitting. They feature an ergonomically contoured handle, bottom grip for easy pouring and a non-breakable multipurpose cap with rubber gaskets. Hose not included.

NOTE: The VP Motorsportsman's Container is intended only for use as a rapid refueling device for racing vehicles used in professional off road and closed course competition racing events. It is NOT a portable fuel container as described by ASTM, EPA, ARB or other state or federal agencies. Intended for racing fuel only; not to be used for street legal fuels.
