

THROTTLE BODY, CARB & CHOKE CLEANER

WD-40 Specialist Automotive Performance Throttle Body, Carb & Choke Cleaner is formulated for the rapid and safe removal of deposits such as gum, sludge and varnish around the throttle body, carburetor and choke. It maximises carburetor performance and improves fuel system performance.

SPECIALIST

AUTOMOTIVE

FEATURES AND BENEFITS

- ⊕ Cleans gum, dirt, varnish, lead & carbon deposits
- ⊕ Eliminates hard starting, rough idling & stalling
- ⊕ Reduces emissions and fumes

APPLICATIONS

THROTTLE BODY

CARBURETOR

CHOKE

DIRECTIONS

1. Shake can well.
2. Protect painted surfaces from overspray.
3. With engine off and cool, remove air cleaner or air intake duct from throttle body. Spray outside of the carburetor and all linkages.
4. With engine running, spray down carburetor throat to blast deposits from choke valve and throttle plate area. Disconnect PVC valve and spray directly into unit. If sprayed on any painted surface, wash off immediately.
5. Safe for catalytic converters and oxygen sensors.

Remarks: For proper cleaning, we recommend to dismantle throttle body and parts.

PHYSICAL AND CHEMICAL PROPERTIES WITHOUT PROPELLANT

Appearance	Clear Liquid
Smell	Mild petroleum/ solvent odor
Flash Point	43°C
Boiling Point (initial)	160°C
Specific Gravity	0.775
pH	Not applicable
Solubility in Water	Negligible in water
Pressure	42 PSI
