

WANDERER 9493-0-SDW

| | |
|----------------------------------|--|
| COLORWAYS | Atlantic, Ink, Mist, Onyx, Persimmon, Shale |
| DESCRIPTION | Chunky weave with big, bold stripe |
| END USE | Indoor/Outdoor Upholstery |
| WIDTH | 54" wide |
| REPEAT | 6.5" V x 0" H |
| WEIGHT | 17.88 ounces per linear yard |
| CONTENT | 100% Bella-Dura® Solution Dyed Polyolefin |
| FLAME RESISTANCE | PASSES: NFPA 260, Cal 117-2013 |
| FINISH | Wash and Frame; Inherently Stain Resistant |
| ABRASION | ASTM D4157 Wyzenbeek - 100,000 Double Rubs |
| COLORFASTNESS TO CROCKING | AATCC 8 - Wet: Class 4 / Dry: Class 5 |
| COLORFASTNESS TO LIGHT | AATCC 16 - Meets or exceeds 1500 lightfast hours |
| PILLING | ASTM D3511 - Class 3 |
| SEAM SLIPPAGE | ASTM D4034 - Warp: 102 lbs / Fill: 111 lbs |
| BREAKING STRENGTH | ASTM D5034 - Warp: 408 lbs / Fill: 422 lbs |
| SUSTAINABILITY | PFAS Free, Recyclable |

COUNTRY OF ORIGIN USA

NORMAL CARE INSTRUCTIONS

For Light Stains: A mild soap and water solution is all that is required for most spills. (Detergents are effective cleaners, but their harshness may affect the water-repellent characteristics.) 1. Apply a cleaning solution of 1 part soap to 10 parts water to the fabric. 2. Rinse with clear water to remove any soapy residue. 3. Blot with a clean, dry cloth and allow time to air dry. 4. Repeat as necessary until the stain is gone.

For Stubborn Stains (Bleach Cleanable) Some stubborn stains may require light agitation with an upholstery cleaning brush or toothbrush. Never use stiff bristles or wire brushes, as they may damage the fabric. To prevent overall soil build-up, frequent vacuuming is recommended. 1. Apply a cleaning solution of 1 part bleach to 4 parts water to the fabric. 2. Rinse with clear water to remove any bleach solution residue. 3. Blot with a clean, dry cloth and allow time to air dry. 4. Repeat as necessary until the stain is gone.

All fabric subject to dye lot variations

LebaTex recommends the end use of a product as specified on the spec sheet only. It is the customer's responsibility to determine code compliance if a product is to be used in a way other than its recommended end use. If a product is ultimately selected and installed in an application that it was not intended for, all liability falls to the customer.
