Blanc de Morgex et de La Salle

Varietal	Blanc de Morgex et de La Salle
Vintage	2014
Alc. Content	12%
Color	Light straw yellow, tending toward green.
Tasting Notes	Delicate aromas of mountain herbs along with a slight note of sage. Notes of rennet apple suffused with a well-balanced minerality, followed by a light almond finish.
Food pairings	To be served at 8 to 10 °C as an aperitif, with light antipasti such as slices of motzetta, a delicate air-dried beef, as well as other cured meats and white meat dishes or a typical Carbonada casserole. Ideal match for Fontina and Reblec cheeses. Or why not try with a simple tomato and basil pizza?
