Bagels

Getting an authentic New York bagel is like chasing the elusive unicorn around Hong Kong. We're crazy for this rounded carb which needs to have just the right type of glaze with a nice thick dense filling. Claiming to be a New York pedigree, Schragels get pretty darn close to the real thing. They're an order pick-up service, so gather a few friends and order a whole batch. \$25. 11/F, Everprofit Bldg, 36 Ko Shing St, Sheung Wan, 9730 6727; schrags.com.
