To Assemble:

- Slip the baffle (B) over the two fitting ends that are pointing on the top of the frame.
- Tap into place.
- The baffle is an added feature that will guide the nuts into the basket as they are ejected by the fingers.
- When emptying the basket, simply tilt the baffle in the opposite direction.
- See enclosed handle assembly instructions.

Additional Info

- Actual pick up area is 36"
- The Bag-A-Nut will pick up nuts rolling forward or backward, but nuts will only be deposited into the basket while moving forward.
- Satisfaction guaranteed and all parts are warranted from manufacturer's defects for one year from the date of purchase.
- Standard freight charges will be added to order.
