### Installation Instructions

1. Open Box 1 and Box 2.
2. Remove the bottom portion of the blue frame stand from box 2 and lay the base on the floor.

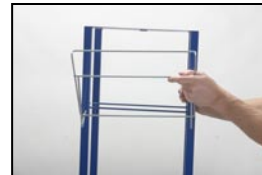

Aluminum sign inside  
(Do not throw away)

3. Remove the top portion of the blue frame stand from box 1. Insert the four legs into the legs of the bottom portion of the blue frame from box 2.

4. Next, place the metal frame racks into the holes along the sides of the blue frame stand. (The middle portion has two separate hole locations for your convenience for different box sizes.)

Double hole locations for Dual or Standard sized boxes.

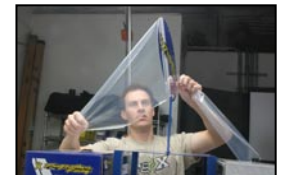

5. Gently peel off the clear plastic lining from each of the three white plastic shelves.

6. Slide each of the white plastic shelves in between the blue frame posts and lay them on the metal brackets into position. These shelves can be used to place accessories, PowerTips™, or apparel!

7. Remove the TBR round aluminum sign from its box and twist it into the threaded hole at the top of the display rack until it is facing the appropriate direction. Peel off the clear plastic lining from the sign as well.

8. Set your TBR exhaust systems into place.
