

TBR

2017 HD BAGGER 2-1 FULL SYSTEM EXHAUST

Designed to deliver **maximum torque** and **superior sound**, the TBR Touring 2-1 has an attitude unlike the others. The race inspired stainless steel headers **shave pounds** off the competition to ensure a long lasting, weather-resistant, amazing sounding exhaust.

From the engine, the exhaust flows through our 1^{3/4}" stainless tubing which includes O2 bungs to **accommodate both stock and 18mm sensors**. From here the exhaust steps up to 1^{7/8}" before dumping into the spring retained collector for **increased torque**. The exhaust then emerges from the collector into our 4" Touring muffler to deliver an **unparalleled sound** upon exit.

Part Number	Description	MSRP
005-4640199	HD (2017) Bagger Comp-S 2-1 Chrome w/ Aluminum Endcap Full System	\$999.00
005-4640199-B	HD (2017) Bagger Comp-S 2-1 Ceramic Black w/ Aluminum Endcap Full System	\$1,049.00
