 Air Filter and Bracket**

Parts List

QTY.	DESCRIPTION	PART NUMBER
1	AIR FILTER	022-4-02
1	AIR BOX REMOVAL BRACKET	022-4-03

IMPORTANT - PLEASE READ CAREFULLY

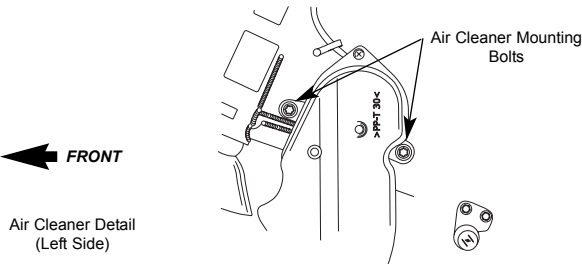

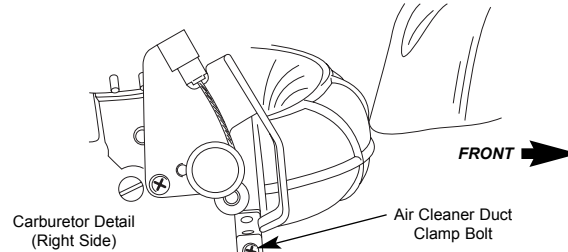

We recommend that this performance engine kit be installed by a qualified motorcycle technician. If you have any doubts as to your ability to install this performance engine kit, please consult with your local motorcycle dealer. Read all instructions first before starting installation. Make sure the motorcycle and exhaust system are completely cool before starting the installation. Also, make sure the bike is secure on the sidestand or ideally a rear service stand during installation. Be sure to save all stock components for possible use later.

Warranty

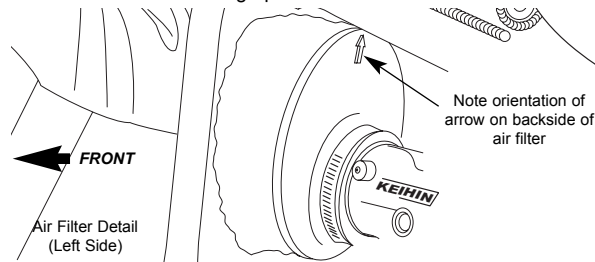

Two Brothers Racing products are intended for closed course competition purposes only, and therefore are sold "as is" without warranty. Two Brothers Racing specifically disclaims any warranties of merchantability or fitness for a particular purpose and disclaims all responsibility for consequential and incidental damages or any other losses arising from the use of these products or parts.

Installation Instructions

1. Make sure the bike is completely cool before starting the installation. Make sure the bike is secure on the sidestand or ideally a rear service stand.
2. Remove left and right shroud.
3. Remove air cleaner duct clamp and air cleaner mounting bolts. Remove air cleaner assembly from bike.

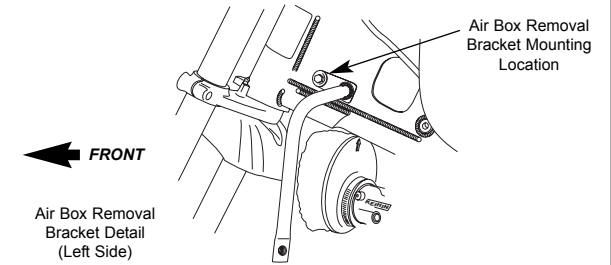

4. Oil new air filter with a high quality foam filter oil. Use a paper towel to remove excess oil from the filter before installation.
5. Install air filter onto carburetor and tighten clamp. Position air filter with arrow facing upward.

Do not overtighten the air filter mounting clamp. Doing so may damage the rubber mounting boot on the air filter.

6. Install the air box removal bracket using the stock mounting hardware and stock mounting locations.

7. Reinstall the left and right shrouds using the stock hardware.
8. We recommend installing larger main and pilot jets if retaining the stock carburetor.

Jets	Part Number
Main (#85)	022-4-MJ85
Pilot (#40)	022-4-PJ40
