**Care & Cleaning / Warranty**

**Care & Cleaning**

This service stand features a "brushed" finish. To restore the finish use a scotch brite pad to remove any scratches. Keep service stand free of dirt and moisture. Store in a cool, dry place. For cleaning use a mild spray cleaner. Always apply cleaner or polish with a soft, clean cloth.

**Warranty**

Two Brothers Racing products are intended for closed course competition purposes only, and therefore are sold "as is" without warranty. Two Brothers Racing specifically disclaims any warranties of merchantability or fitness for a particular purpose and disclaims all responsibility for consequential and incidental damages or any other losses arising from the use of these products or parts.

**IMPORTANT - PLEASE READ CAREFULLY**

*We recommend that this service stand be assembled by a qualified motorcycle technician. If you have any doubts as to your ability to assemble this service stand, please consult with your local motorcycle dealer. Read all instructions first before starting assembly. When using this service stand be sure the motorcycle and exhaust system are completely cool.*

**Installation Instructions**

1. Insert the stand legs into the stand hoop. Use the 6mm x 60mm bolts, 6mm washers and 6 nylock nut to secure. **Be careful not to over tighten these bolts, you will damage the stand if you over tighten these bolts.**
2. Insert the front stand holder assemblies into the stand legs.
3. Adjust the width of the front stand holder assemblies for your motorcycle and tighten set screws.
