Dear Valued Customer and Friend,

Thank you for your request for a Two Brothers Racing, Inc. (TBR) dealership application. TBR has been producing the highest quality parts for street bikes, offroad cycles and ATV's since 1985. Over the years, our product line has grown to more than 4,000 part numbers, and we are coming up with more new and innovative high-quality products each week. We inventory nearly everything listed in our printed catalog and have a more than 98% fill rate at all times.

TBR is proud of its extensive network of loyal national and international dealers, and it is in the best interest of both our existing stocking dealers and TBR to limit the authorized TBR dealers to **only** legitimate establishments in the business of selling street bike, offroad cycle, ATV and mini bike parts and accessories.

**To be an authorized TBR dealer you must fill out the dealership application in full, including all requested information, and a first time minimum order of \$1,500.00 is required.**

We will be happy to assist with your initial stocking order by informing you of our top sellers and highest margin items so that you can quickly turn your inventory and re-order on a consistent basis. TBR will also be happy to refer you to an authorized dealer in your area to purchase product if you are unable to meet with the aforementioned terms.

When completed please fax the completed form to: 714-550-9661, Attn: New Accounts Dept.

Or mail to:

Thank you and we look forward to doing business with you.

Sincerely,
