Jacq Backless Sofa

This product is made to order in California.

The Jacq series has a barrel back with beautiful, curved corners and a distinctive channel stitching that runs horizontally the length of the silhouette. Ultra-plush seat cushions and back cushions are comprised of a hypoallergenic down-substitute material that have the lush, sink-in feel of down without the need to plump. Inset wood block legs lift the sofa and give it the appearance of floating. Jacq is deep seating meant for luxuriating. Available in a selection of fabrics and leathers, a mix of fabrics, or COM/COL (Customer's Own Material/Leather). To make a fabric selection and place an order, please contact Concierge. Refer to View/Print Spec Sheet for all dimensions.
