# Jute Sofa

---

**This product is made to order in Italy.**

The suave Jute sofa's aggressive, linear lines make a visual impact in any room. With its rounded and sinuous shape juxtaposed by a sleek, modernistic silhouette, it is designed with extreme comfort in mind. The wood frame is wrapped in eco-friendly varying density open cells polyurethane foam under every single quilted square, creating the quilted effect.

Available in a curated selection of fabrics. We show it here in our hi-tech, European leather/poly covering which has a brushed leather and suede feel. Another great choice where children are kept in mind - our water repellent, high wear, and tear-resistant Lycra offered in a multitude of everlasting, vibrant colors. All of our fabrics are abrasion resistant and easy to clean. Available in large selection of fabrics/leathers. Made to order in Italy.
