Pia Sofa

This product is made to order in France.

An attractive channel detail runs along the back of the seat in the Pia collection, and with the sofa and lounge chair, the back has an undulating slope that is quite beautiful. With a low European seat height with a firm cushion, the Pia sits directly on the floor, giving its classic shape a modern upgrade. Available in a selection of fabrics or COM (Customer's Own Material). To make a fabric selection and place an order, please contact Concierge. Refer to View/Print Spec Sheet for all dimensions.
