

City Racer Gas Door Lock  
Installation Guide  
For '75 to '78 Toyota Land Cruiser FJ40

*City Racer LLC*

Time Estimate: 15 Minutes

# Introduction

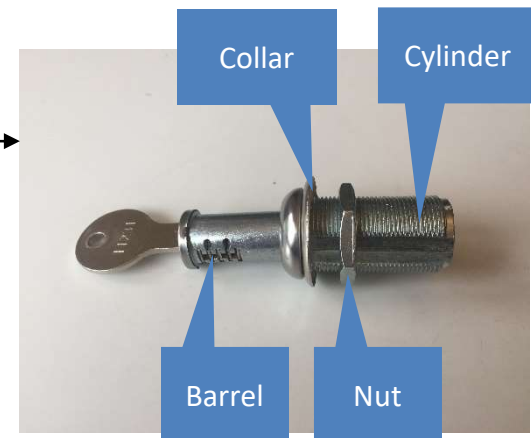

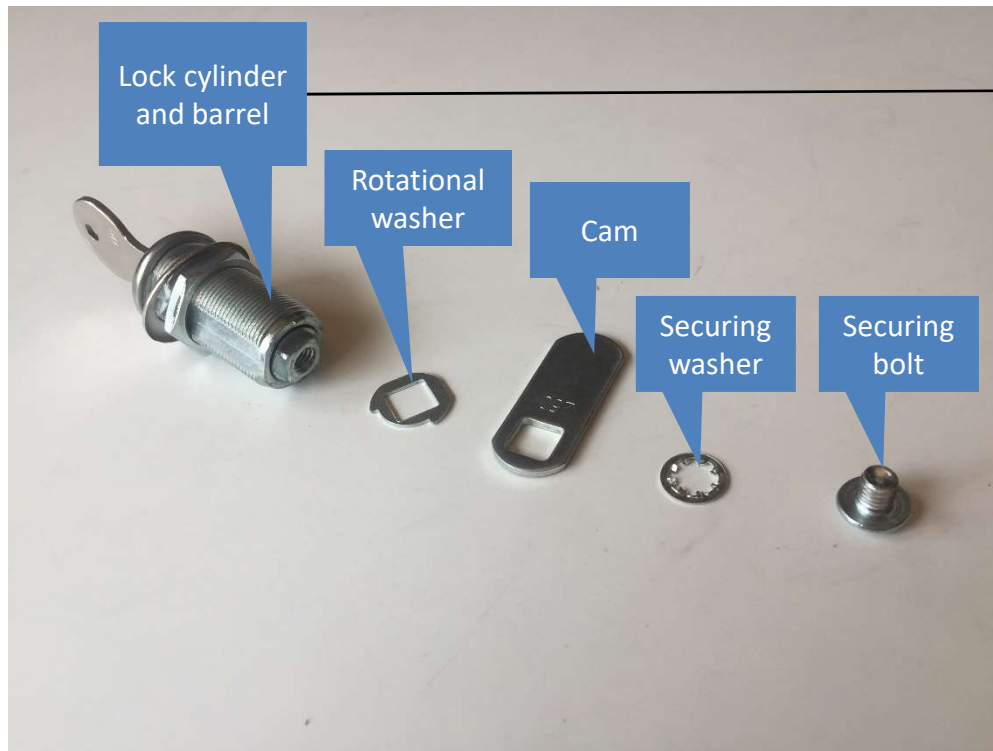

---

Once installed, the gas door lock will turn by 90 degrees along the upper left quadrant.

# Step 1

Remove the old lock from the gas door. Disassemble the new lock and familiarize yourself with the sequence of components.

## Step 2

---

Insert the cylinder with the trim collar beneath.

*City Racer LLC*

# Step 3

---

Install the nut from behind the gas door.

# Step 4

---

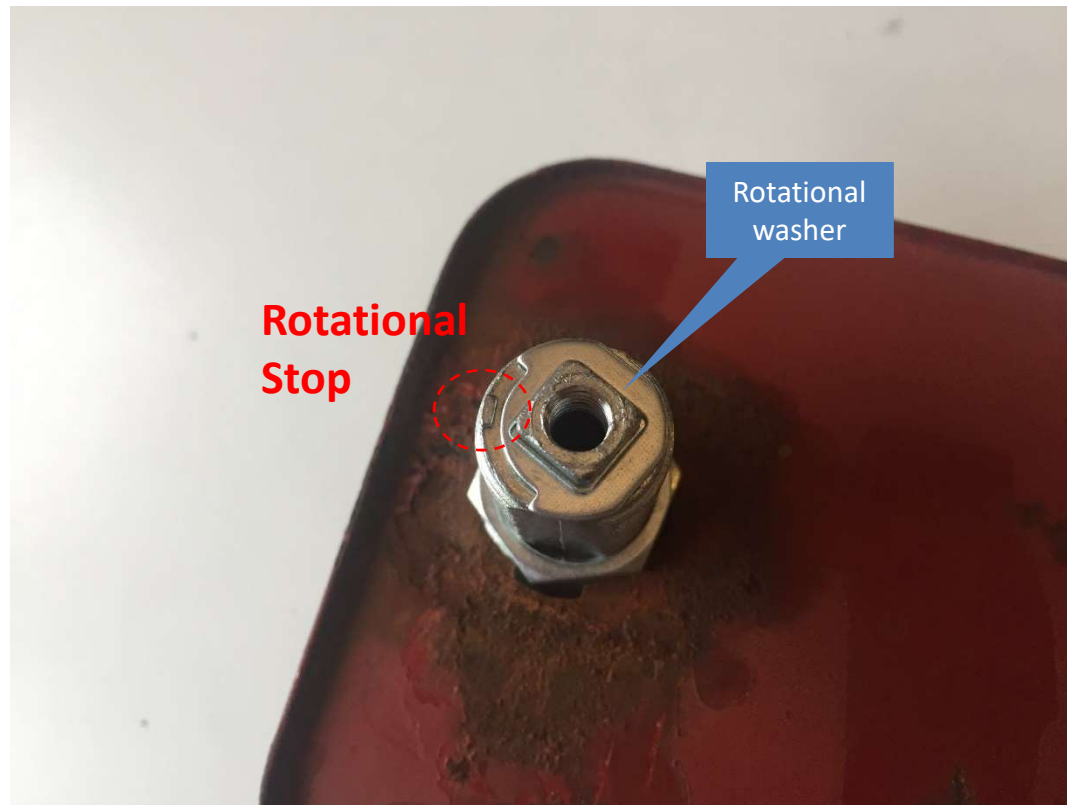

Insert the barrel all the way forward.

## Step 5

---

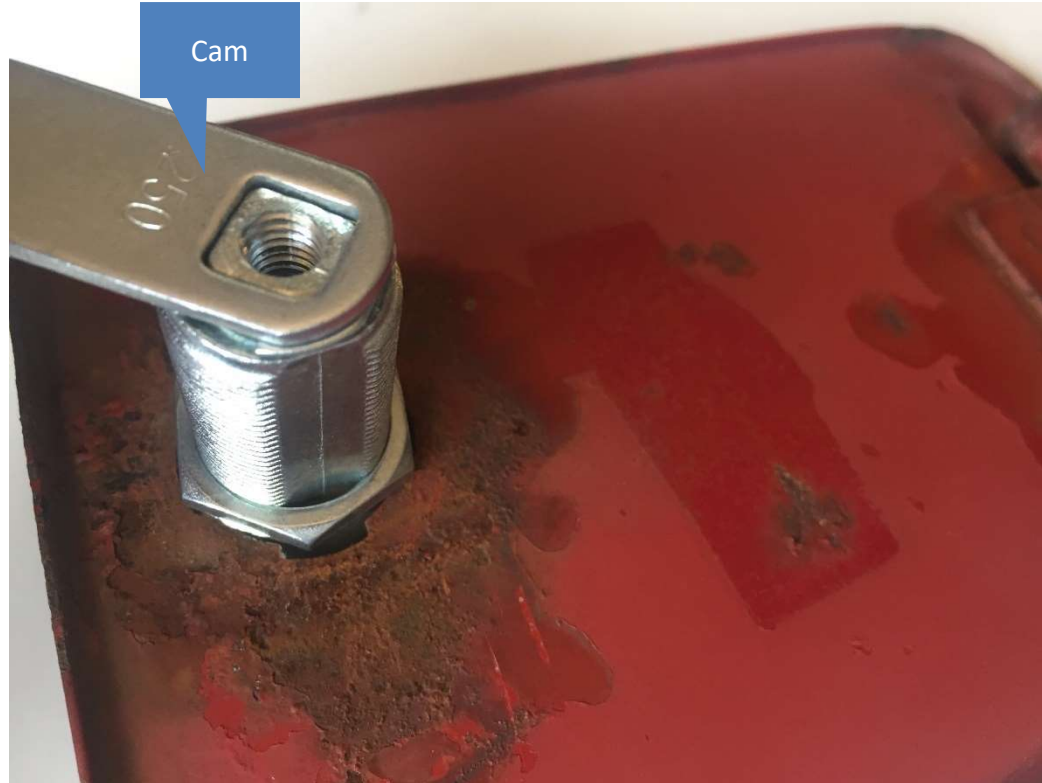

Place the rotational washer over the end of the cylinder such that the rotational stop is in the middle of the rotational path.

# Step 6

---

Overlay the cam on top of the rotational washer.

# Step 7

---

Secure the assembly with the washer and bolt.

# Finished!

---
