_____ **October 12th No Pin Curves \$55.00**

This class teaches sewing curves without pins by using the wedding ring templates provided in the class fees by Quilters Paradise. You can choose the size you want to make. Queen, Lap, or Wallhanging. This class will have some homework prior to arriving, but will do the instructional cutting at the beginning of class. We will cut and sew together initially together.
 _____ Queen _____ Lap _____ Wallhanging
 (By checking the size, the appropriate pattern will be sent to you for purchasing of fabric.)

_____ **October 13th and 14th Six Technique Quilt Block \$90.00**

This class will teach you how to make six different quilting units in a variety of ways, using tips, tricks, and templates/rulers to build confidence in accurate sewing that will speed up your piecing skills. You will then be able to design your block in numerous ways creating a sampler look or just one block idea. The ideas are probably endless. (Pattern will be sent to allow for purchasing fabric.)

_____ A four-ruler package will be available to be purchased for \$65.00, a \$64.00 savings from Quilt Store prices. **Plus no tax.** Once you learn this method you will always use these rulers. Trust me. You do not need these rulers to take this class, however, this method is one that will be taught. Teacher will deliver pre-ordered rulers at class time.

_____ I am interested in Open Sew at night, after dinner – 9PM. (Dinner on your own) (Free to registered quilters)
 You will be able to sit, sew and visit with friends after dinner on your own projects.

_____ I'm interested in showing a few quilts at the Lecture/Trunk Show Event. (Free to registered quilters)
