

Spin large amounts of yarn, quickly and effortlessly for yourself or a cottage industry. The e-Spinner is quiet, convenient and simple to use. No treadling required.

It comes complete with 12 V transformer, interchangeable wall plugs (for New Zealand/Australia, USA/Europe/ Japan and UK), jumbo sliding hook flyer, 3 jumbo bobbins and lazy kate with a yarn guide. It has a silent 12-volt DC 1.25amp 70w motor. The quiet direct-drive flyer has an infinitely variable speed from 0-1200 rpm so it is suitable for all skill levels. Hand controls allow you to easily turn the motor off and on, change speed and direction. The bobbins are quick and easy to change. Small and portable plus the optional 12v car cord enables you to take the e-Spinner with you to guild meetings, on holiday, use it in the car, caravan, RV or boat. The scotch tension system allows all types of yarn to be spun. It comes assembled and lacquered. Three large capacity jumbo bobbins are supplied. CE approved.

## The Ashford Book of Hand Spinning by Jo Reeve

This new book published in 2010 is by fibre artist Jo Reeve. Jo, the author of the very popular Ashford Book of Carding, has twenty-seven years of spinning experience and will show you how to spin from the beginning through to advanced techniques. Learn how to spin unique yarns using different techniques and fibres and make five easy projects using your handspun yarn. Full colour and step by step instructions will take you on a new journey of creativity. 116 pages.

## Specifications

## Included accessories

- Lazy Kate with yarn guide
- 3 jumbo bobbins
- Learn to spin booklet
- Threading hook

## Optional accessories available

- 12 v car cord - for spinning in the car, caravan, RV or boat
- Competition Lazy Kate – for bobbin control when plying at speed
- Spinning Chair – for comfortable spinning
- Niddy Noddy – wind yarn directly from the bobbin into 1.5m (5ft) skeins

- Sampler Niddy Noddy – make small, sample 90cm (1yd) skeins
- Maintenance Kit – spare parts and lubricating oil
- Ashford Teak Wax - protect and restore the wood
- Yarn Gauge – ascertain the yarn gauge

## Maintenance

Apply Ashford spinning wheel oil to moving parts as shown in the assembly guide, every two to three hours of spinning. Wax your wheel regularly with Ashford Teak Wax, furniture oil or polish.

## The Ashford Book of Learn to Spin with Ann Field

With easy-to-follow, step-by-step directions, Anne guides the novice spinner through all they need to know to get started. She explains the spinning process and techniques. A wide range of fibres suitable for spinning are featured with details on the characteristics of each fibre and the best spinning methods to use.

Also included are many great projects with full instructions on how to use your newly spun yarns.

Spinning and Weaving the Ashford way DVD or Video. Assembly, spinning, plying, carding, warping and weaving.
