weaving looms | product code KL3COM / KL5COM

Fast and easy, this compact rigid heddle loom makes for exciting weaving anywhere, anytime - with the same portability as knitting.

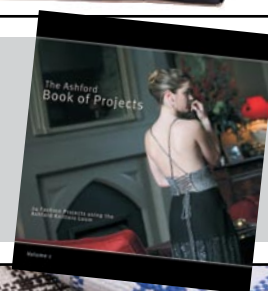

Handy padded bag included. The loom is ultra portable being lightweight, compact and folds in half - even with your weaving in place. Fast - from yarn to scarf in two hours. Easy - a loom that is simple to understand and operate with nylon warp stick ties, handles, cogs and pawls. Exciting - weave fancy yarns with the wide-eye 7.5dpi (30/10) reed. The loom is made from Silver Beech hard wood and comes assembled and lacquered, with all the warping tools - ready to use. Two great weaving widths 30cm (12ins) and 50cm (20ins).

The flexibility of the Knitters Loom means you can be weaving in your lunch break, while camping, or when visiting friends.
