# APPLE GINGER TURMERIC VINEGAR

RAW & UNFILTERED  
SPECIALTY VINEGAR

Net Wt 275 ml (9.3 fl oz)

Our naturally fermented, raw, unpasteurized vinegar adds a bright note to your foods — in salads, vegetables, sauces, marinades, beverages, and cocktails. The 'mother' strands of enzymes inside the bottle are natural and may continue to grow slowly. Every batch is made on our farm with simple, wholesome ingredients, and fermented at least 12 months. All ingredients are infused as whole foods and strained out, naturally!

*Eat food from the dirt,  
not the lab.™*

*Baby Ginger  
grown at the farm*

NATURALLY FERMENTED

Ingredients: raw apple cider vinegar,  
organic baby ginger, organic baby turmeric
