

HOW TO PLAY RAMP SHOT GAME

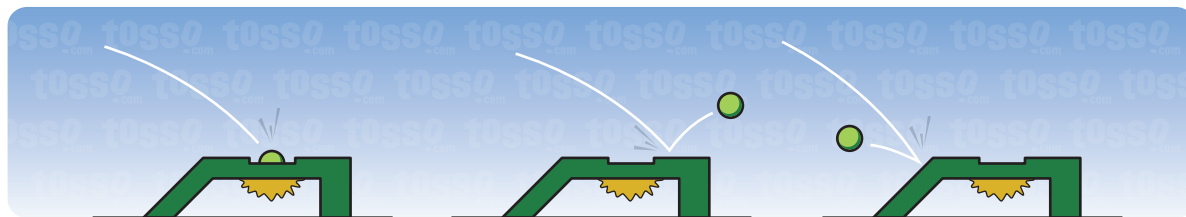

HOW TO PLAY

First team to get **15 points** win!

Ramp Shot is an exciting new outdoor game that is played with 4 players. Teammates stand on opposite sides and work together to score points by either tossing the ball or catching the ball.

To score points, just get the ball into the slot on the top of the ramp for 3 points. If you miss the slot and bound the ball on the grooves on the top of the ramp your teammate can still catch the ball and get 1 point. If you come up short and the ball hits the ramp it will bounce back and the opposing team can grab it earning another shot.

The game is fast paces and it keeps 3 out of 4 players active during each toss. The first team to get 15 points wins! Grab a set of ramps today and get in the groove!

+3 points

if the ball gets into the slot.
Even if it goes back out.

+1 point

if the ball bounces on the top and
your partner catches it.

0 point

If the ball bounces off the front ramp and
the other team's stealer catches it
they get an extra shot.

* No point if the ball goes off the ground or if no one catches it.
