- > Store in a cool, dry place away from sunlight.

GRACEFUL AGING & HEALTH BENEFITS

- **HEART:** Vitamins D3+K2 are essential nutrients that promote cardiovascular health & function. Vitamin K also helps to improve arterial health*
- BONES: D3 and K2 work together to transport and absorb calcium to boost bone strength, density, and improve the bone matrix.*
- IMMUNE SYSTEM: Vitamin D3 helps to strengthen immune response.
- MOOD: Vitamin D3 offers the same biologically active form of Vitamin D produced by the body as a result of sun exposure. This can help boost mood.*
- MUSCLE: Vitamin D3 has been shown to increase muscle strength, particularly in people who are Vitamin D deficient.*

This product is certified Plastic Neutral. This means that for every container of Vitamin D3+K2 that is produced, the same amount of plastic waste is removed from our pristine environment. Amandean is committed to sustainability.
