

# **KING OF THE KICKER 2017**

## **RULES**

Riders will receive 3 attempts at a pre-determined kicker to land their best possible trick. The winner will be the *one single best trick landed*.

Three judges will independently rank riders on difficulty, execution, style and intensity based upon their personal opinion. If an unbreakable tie exists between 2 riders for the best trick landed then that independent judge may take into account the second trick landed to break that tie. Judges will rank riders from 1st place to last place in each heat and/or final of each division

Each individual judges list of placings will be added together, lowest score wins.

At 2018 BOARDSTOCK Series heats and finals for each division, where necessary, will be run immediately after each other

There will be NO PROTESTS - Judges decisions will be final  
Applications to see judging sheets may be made by email after the event to [info@mlwatersports.com.au](mailto:info@mlwatersports.com.au)

Times and Rules may change at the discretion of the event organisers.  
It is the riders responsibility to be aware of any alterations to rules or schedule
