The following page contains the German Conformity Certificate for the Purline range.

We love your floor more than you do

CE - CERTIFICATE OF CONFORMITY 1658-CPD-1293

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

PURline eco

with the following product characteristics

unglued or glued on massive, mineral concrete (gross density $\geq 1350 \text{ kg/m}^3$)

placed into circulation by

WPT GmbH

Charles-Lindbergh-Ring 13
32756 Detmold
Deutschland

and produced in the factory of

32756 Detmold / Deutschland

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that an initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control has been accomplished. Continuous surveillance, assessment and approval of the factory production control is performed.

This certificate attests that all provisions concerning the attestation of conformity and the performances described in Annex ZA of the standard

EN 14041:2004

were applied and that the product fulfils all the prescribed requirements.

This certificate was first issued on 19.10.2012 and remains valid as long as the conditions laid down in EN 14041:2004 or the manufacturing conditions in the factory or in the factory production control itself are not modified significantly.

Aachen, 19.10.2012

Dr. Ernst Schröder
(General Manager)
