

# APPLE DIPPING KIT

FANCY SPRINKLES®

## APPLE DIPPING KIT

Yields 6-8 Dipped Treats

### DIGITAL INSTRUCTIONS

### WHAT YOU NEED

- Fancy Edible Shimmer
- Fancy Decorating Melts
- Apples for dipping [rinsed and fully dried]
- Acrylic Sticks [clean & dry with protective film removed]
- Deep, medium-sized bowl
- Fancy Silicone Baking Mat or parchment paper
- Baking sheet
- Fancy Brush Set for applying Edible Shimmer

### INSTRUCTIONS

#### 1. Prep Tools

Place Fancy Silicone Baking Mat or parchment paper on a baking sheet. Remove the stem from each apple and replace with an acrylic stick until secure.

#### 2. Prepare Fancy Decorating Melts

Heat Decorating Melts in the microwave according to the bag instructions until smooth.

#### 3. Transfer Fancy Decorating Melts

Once melted, squeeze about one ½ cup of Decorating Melts into a bowl.

#### 4. Dip

Dip apples into the Decorating Melts and swirl in a circular motion for an even coating.

#### 5. Set

Place dipped apples on the Silicone Baking Mat or a parchment-lined baking sheet to harden.

#### 6. Apply Fancy Edible Shimmer

Once hardened, dust an even, opaque layer of Edible Shimmer onto each apple to create a beautiful metallic shine.
