## INSTRUCTIONS

1．Prepare Fancy Decorating Melts
Heat Decorating Melts in the microwave according to the bag instructions until smooth．Cut the tip off of the Decorating Melts bag．

2．Rim the Serving Glasses with Fancy Decorating Melts Pour $1 / 4$ cup sprinkles onto a plate．Line the rim of the glass with Decorating Melts．Dip the rim into the sprinkles to create a sprinkle rim．Repeat for all serving glasses and set aside to harden

## －3．Color \＆Blend the Milkshake

Scoop 2 cups of ice cream and pour 1 cup of milk into the blender per milkshake．Add 3－4 drops of Jelly Hues ${ }^{\text {TM }}$ Food Coloring Gel into the blender．We recommend sticking to one color per shake．Cover the blender with the lid， and blend until smooth．

4．Decorate \＆Serve
Pour milkshake into sprinkle－lined serving glasses．Top with whipped cream，Fancy Sprinkles，and using a clean brush or Dusting Pump to gently apply Edible Glitter．
