

ELIGIBILITY WITH CHARITIES AID FOUNDATION AMERICA (CAF AMERICA)

WHAT DOES IT MEAN TO BE ELIGIBLE?

As a US public charity, CAF America is able to accept donations from US donors who can then recommend that CAF America use those funds to support your organization. Since you are eligible with us, we will be able to make these grants to you. The donations they make are 100% tax deductible, and they will receive a tax receipt from CAF America for the full amount of their donation.

CAF America can also accept donations of real property. Please contact us for additional information and pricing pertaining to real property.

How can I advertise that US donors can make tax-deductible gifts to us through CAF America?

When you search for your organization and locate it on our website, the "donate now" link is unique to your organization. You can save this link and post it on your website so your donors can access it easily. We have also created a badge for your website to help you advertise. It can be downloaded from our website at <http://www.cafamerica.org/wp-content/uploads/badge.jpg>. Please let us know if you need a different size.

**The following are examples of language you may use regarding how to publicize your eligibility with CAF America:**

“(Organization) is able to accept tax-deductible donations from US donors in partnership with CAF America. Please visit the Give Now page at CAF America’s website at www.cafamerica.org to get started.”

“(Organization) has been vetted and approved to receive grants from CAF America; if you are a US donor wishing to make a tax-deductible contribution to support us, you may give to CAF America and recommend that the grant be made to (organization).”

If you have any questions, please contact CAF America at (202) 793-2232.
