

This year, **The Sreepur Village, Bangladesh** is applying again to take part in the Big Give Christmas Challenge, the UK's biggest online match funding campaign which last year raised over £13 million for more than 500 participating charities.

We're hoping to raise vital funds towards our project "Health and Happiness" and would like to invite you, as a very valuable supporter to The Sreepur Village, to help us as a Pledger. You have always been a wonderful support and we do hope that you don't mind us calling on your help again.

This project will help 350 children by providing them with the right medical care that we keep them healthy and happy. From vaccinating against deadly diseases, to surgical procedures and visits from a Dermatologist, Orthopedist and Ophthalmologist, this year's campaign will ensure more families are protected for the future.

We are aiming to raise £4,797 in Pledge Promises from our supporters which will potentially unlock further match funds from a Champion funder secured by the Big Give, if our application is successful. Together, these funds form our matching pot used to double online donations from the public when the campaign is live between 3rd and 10th December. Would you consider making a pledge of a minimum of £100 to help us reach our target? **The deadline for making a pledge is 5pm on 30.8.2019**

If so, to make a Pledge then please complete this form: <https://bit.ly/2O8sREE>
