MODE D'EMPLOI:

- Assembler les matrices en superposant les bords et en vous assurant de les aligner aux traits d'alignement. ↑
- Joindre ensemble à l'aide de papier collant.
- Découper les formes grises.
- Positionner la matrice sur le mur à recouvrir et la fixer à l'aide de papier collant. S'assurer d'être à l'horizontal à l'aide d'un niveau.
- Coller les formes dans les ouvertures.
- Déplacer la matrice au fur et à mesure en prenant une forme déjà installée au mur comme guide.

INSTRUCTIONS:

- Assemble the guide sheets together by overlapping the edges up to the alignment line. ↑
- Secure sheets together with tape.
- Cut-off grey areas
- Position the resulting guide on your wall and hold in place with masking tape.
- Stick shapes through guide openings.
- Move your guide to the next zone using installed shapes as reference.
- Always validate your horizontal line.
