Sweet Secrets Chocolate teams up with local High School Students

CAROL STREAM, IL - August 2015 – Sometimes the best way to learn is through doing. On the job learning is what Sweet Secrets Chocolate will be offering students in the Vocational Education Department at Wheaton North High School. “We are so honored to be actively working with these students, counselors, and parents,” said Dede Barnicle, partner at Sweet Secrets Chocolate. “Being able to develop skills and confidence in our young people is so important. These assets, along with hands on experience in a manufacturing setting, will hopefully lead to job placement or other opportunities for growth.” Students and their counselors assist in many different areas at Sweet Secrets Chocolate, including kitchen sanitation and prep, production, packaging and packing, and product development. Working in a chocolate manufacturing kitchen is pretty sweet. But what makes it even sweeter is the energy and happiness that comes from a group of smiling teens.
