

REVEAL

B-Vent Gas Fireplace

The Reveal B-Vent Fireplace from Majestic

Recreate the timelessness of a wood-burning fire with the open-hearth Reveal. Full, generous flames rise through a detailed log set, while a 3-layered burner adds intensity and depth. A clean face finish and textured brick interiors provide traditional masonry style. Make it your own and anchor your space with distinct finishing options.

Features

- 36" or 42" viewing area
- Unique, 3-level burner
- Up to 40,000 BTUs; 36" model
- Open-hearth design with optional glass doors
- Traditional or herringbone brick interiors
- Up to 43,000 BTUs; 42" model

IntelliFire™ Ignition System

The IntelliFire™ Ignition System (IPI) is an advanced intermittent pilot ignition system. IPI constantly monitors ignition, ensures safe functioning and conserves up to \$10/month in energy costs.

Limited Lifetime Warranty¹

The strongest in the industry, Majestic provides a limited lifetime warranty on gas-burning products of the most important aspects: firebox and heat exchanger.

The information provided in this literature is for planning purposes only and subject to change. Please consult the installation manual for actual installation. Actual product appearance may differ from product images. Fireplace glass and other surfaces get extremely HOT and can cause severe burns if touched. Do not remove the protective safety screen from the front of the glass. Keep a safe distance away. ©2016 Hearth & Home Technologies®
